

\$93 or It's Free Drain Clear with Free Camera Inspection

Experiencing a clogged drain? Frymire proudly offers a no-gimmick \$93 or It's Free drain clear with a free camera inspection. How does it work? Schedule service and we will dispatch a licensed drain specialist with the necessary tools to handle the job for you. If we are unable to clear your sewer line using the standard method for this offer, you will not be obligated to pay the \$93. Our licensed drain expert will make any necessary recommendations for next possible steps and will only proceed with your approval

\$93 or It's Free Drain Clear Covers:

- Use of a small sewer machine by a licensed drain expert for up to 20 minutes to attempt to clear the drain. If we are unable to clear the drain, the plumber will come to you to discuss your other options.
- Run the camera down the drain.*
- 30 day limited warranty** If your sewer line clogs again in the same area we cleared within thirty days of our original visit, you are entitled to one additional visit from a drain expert to attempt to unclog it at no cost to you.
